Shelter Champ App Video for Durashine

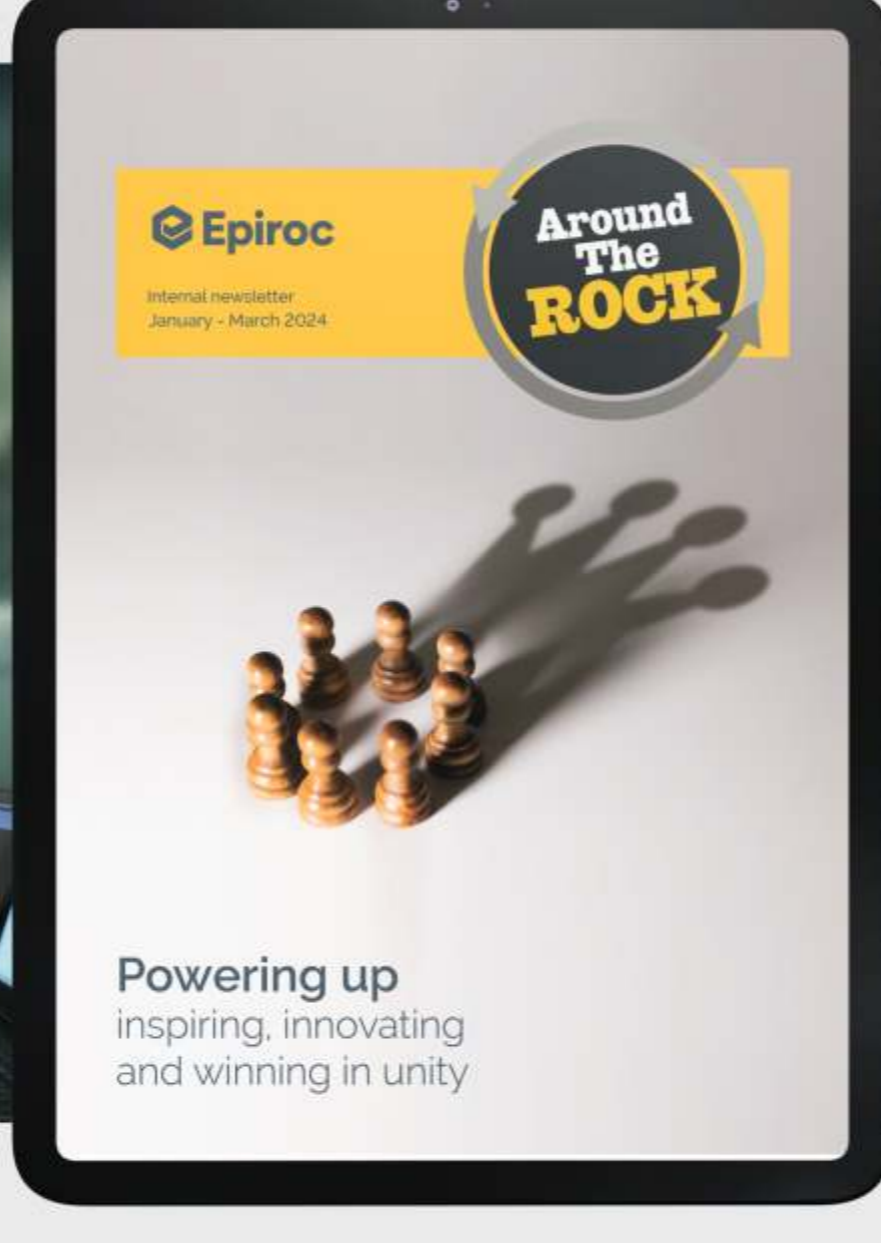

which offers colour coated profile sheets in form of roof and wall solutions.

We recently created a video for the Durashine Shelter Champ app, focusing on its key features and benefits for fabricators. The video highlights how the app streamlines processes, manages projects, and ensures safety compliance. Simplified for clarity, it effectively conveys the app's impact to Tatabluescope's management team. We're proud to support this innovative project.

Elevating Internal Communication with Every Issue!

We craft quarterly magazines that do more than just inform—they connect. Dive into a vibrant mix of company news, employee spotlights, and project updates, all wrapped in eye-catching visuals and crisp, clear content, and we make sure every page grabs attention.

Monsoon Calling...

We celebrated our Foundation Day with a refreshing trip to the hills, where we relaxed, recharged, and strengthened team bonds. The serene environment fostered collaboration and deepened mutual understanding, aligning us with common goals through engaging activities. This experience enhanced our unity and effectiveness, setting the stage for future success. The connections we built at Girvan will continue to drive our collective potential

Welcome to new talent

Team Update: Welcoming Our New Experts We're excited to introduce two new members to our team: Sanket, a **Senior Graphic Designer**, and Sudikshya, a **Senior Content Writer**. With 5 to 6 years of experience each, they bring valuable expertise that will strengthen our operations team. Their skills will play a key role in ensuring we continue to deliver top-notch quality work to our clients.
